*Brother Branham, **don't you feel that everyone who claims to be a Christian should pay tithes, pay their tithes into the storehouse of the Lord?***

That's **a challenge to any individual.** And if I only had the time, and would not get to this little Scripture that I wish to get to in about the next ten minutes, I would like to give you a personal testimony of how that I was even hungry, and my mother and them hungry, and my daddy sick, **but I took my tithes out first and give it to God, and you ought to see what happened. I have never seen in my life, that any man or a woman, that if you only make one dollar a week, will bring the ten cents of that money and put it into your storehouse, your church where you come, if God don't bless that, call me a hypocrite.** Yes, sir.

That's a challenge to anybody. And every Christian... That goes to this other question. **Every Christian should pay tithes. That's right. It should be done.**
