DANIEL 9:2-3

MATTHEW 27: 50-53

I THESSALONIANS 4:16

## **"Events Made Clear by Prophecies" (Pt.1)**

"Before the end time comes, **there'll be a woman, that'll be a great ruler in this nation. She will either be president or something on that order, some great woman.** And at that time, automobiles, just before the coming of the Lord, will be in the shape of an egg." 55-0501E

But just to see women coming into politics and everything, it's a disgrace; it's a breaking of the American morale. And remember, this is... America will... A--a woman... I--I better leave it alone. But just remember this. **I predict this: that a woman will be president before we're annihilated.** I said that in 1933 by a vision. Sure, it's a woman's world. Where did it start from? Hollywood. All your dirty, filthy dressing and things, that's what's crept into our homes and things like that. And now comes through television, everything else. It's a disgrace. 56-0428

I predicted that women would keep demoralizing and the nation would keep falling, and they'd keep hanging to mother, or like mother like that, till they become, a woman

become an idol. And after a while, that America would be ruled by a woman. Mark it and see if it's not right. **A woman will take the place of a President or something, of great, some high power in America.** When... I say this with respect, ladies. When a woman gets out of the kitchen, she's out of her place. 56-0513

And I seen **a woman lying, vulgar as she was, and dominated the country. And I predict that a woman will either be President, or do, or come into great power of some sort in the United States before the total annihilation of the world.** Keep that in mind, and I have said it. 57-0120E

America is a woman's nation. **And a woman will rise up, soon, in America, and become a great person, like a president or somewhere, before the coming of the Lord,** I believe. See? Just remember that, that I've said that. And cars will become more like an egg shape, **just before the total annihilation or the destruction comes to this nation.** 57-0309E

This nation is a woman's nation. **It'll be run by a woman.** And remember, third--1933, I saw that come in a vision, a great powerful woman will take over the whole nation someday. **That's exactly right, before the end time, before total annihilation.** 57-0602

And **women will take over**. Women will take over, and-- the doctrine of Catholic church, which I've always said would take over the United States, it's absolutely almost there right now. See? Worship of a woman, Mary, which is a goddess then which is contrary to the Bible, and interceding with the dead, which is contrary to the Bible, and all these things here, they're just moving right up. 58-0512

And you remember, I've already predicted in 1933, **a woman would rule this nation before the chaos, by the annihilation**. See her face on the money; she's everything; she's a goddess; she's... Hollywood's done it. The reason that takes place, is because you stayed home on Wednesday night from the prayer meeting to watch some old dirty play of "We Love Sucky," or something like that. 58-0512

And one of those great prophecies; that is, for cars to be on the road with remote control, looking like a egg, only you don't drive it; it controls itself. And then, there'll be a great woman rise up, 'cause America is a woman's nation. And it'll... **A great woman will rise up and be president, or something like that in the nation, and then there will come a total annihilation, the entire nation will be wiped out** 58-0720M

And I said, "Remember, in that day, before the end time comes, before the end time comes, that a woman... Now, you all keep this wrote down. **There'll be a great powerful woman raise up, either be President, or dictator, or**

**some great powerful woman in this United States. And she'll sink under the influence of women. Now, you remember; that's THUS SAITH THE LORD.** 58-0927

**THUS SAITH THE LORD there will be a woman rule before the end time. She'll either be President, Vice President,** or it'll be the Catholic church as a woman. I've seen her: **A great woman, the nation bowed to her.** It'll be one before the end time. THUS SAITH THE LORD. Write it down and find out, you young people. See if it happens. If it isn't, I'm a false prophet. 60-0716

It shall--also has been an evil thing done in this country; they have permitted women to vote. This is a woman's nation, and **she will pollute this nation as Eve did Eden.** Now, you see why I'm hammering the way I do. I got, THUS SAITH THE LORD. In her voting she will elect the wrong person. The Americans will take a great beating at a place that Germany will build, which will be a great wall built of concrete (The Maginot Line, eleven years before it was ever built.) But finally they will be victors. Then when these women help elect the wrong person, then **I seen a great woman rise up in the United States, well-dressed and beautiful, but cruel in heart. She will either guide or lead this nation to ruination** 60-1113

I said, "It will come to pass before the end time comes that there will be a great woman stand up in the United States, because the United States is marked woman. Her number is

thirteen, and she'll rise up, either be president, or (I put it in parentheses) **perhaps the woman being beautiful and attractive will be the Catholic church but cruel at heart, and she'll lead the nation to pollution.** 60-1125

**The coming of the control of a woman in the United States to take over, maybe a church to take over to rule...** Watch. It's THUS SAITH THE LORD. 60-1126

"They'd permit women to vote. In voting, they'd elect the wrong person." Seven things was give, and five of them has already happened. The next thing was a great woman, a church, **a power or something, would take over this United States, to rule.** Then I seen it just like ashes, laying, where it come to the end. It was the end time. 60-1204M

Now, and it said in there, "At that time, **there'd be a great woman stand up in the United States.**" **And she was dressed and beautiful, but she was cruel in heart.** And I got in parenthesis on the vision, even yellow paper, said, "perhaps the Catholic church." 60-1205

"This nation is a woman's nation, it's marked by a woman. It's a woman right down through prophecy, everywhere; and number thirteen everywhere in prophecy." And I said, **"It's a woman's country, she has her liberties here. And she'll ruin it, she's the ruination of the world."** 60-1208

Now, so then I said, "There will be in that time, during that time the women will be permitted to vote, and they'll elect the wrong person." They did it on this last election. That's right. "Which will start the stronghold. During that time it'll come to pass that--that **there'll be a great woman rise up in the United States, she'll be beautifully dressed,** and I got in parenthesis: "(perhaps the Catholic church)." See? "That'll take rulership over the power, overpower the others in the United States. She'll be beautiful to look at, but she'll be cruel-hearted as she can be." 60-1208

60-1211E THE.LAODICEAN.CHURCH.AGE

**But there'll be a powerful woman!** Now, remember! This is on tape, too. **A powerful woman, great woman, she'll either be President, or it'll be a woman representing the Catholic church (which I think it is) will take over here someday and she'll rule this country.**

**I seen a great woman rise up, beautiful to look at, but a cruel wicked heart.** And that will be a church. And she's on her road now..... 61-0312

Now, I predicted and said, **"I saw a great woman stand up, beautiful looking, dressed in real highly royals like purple, and I got little parenthesis down here, "She was a great ruler in the United States, perhaps the Catholic church."** A woman, some woman... I don't know her to be the Catholic church. I don't know. I

can't say. Only thing I seen, I seen the woman; that was all. 61-0806

And how that automobiles would constantly shape like eggs. And how that they would permit women to vote, and, in doing so, they would elect the wrong President. And in this would be a woman stand up that would govern the United States; not actually a woman, but a church. Then I seen her with nothing but ashes. It's going to happen. 63-1117

Then I said, "I seen a woman stand in the United States, like a great queen or something. And she was beautiful to look at, but wicked in her heart. And she made the nation step, go at her step." 64-0726E

Then in the sixth vision there arose up in America a most beautiful, but cruel woman. She held the people in her complete power. I believed that this was the rise of the Roman Catholic Church, though I knew it could possibly be a vision of some woman rising in great power in America due to a popular vote by women.
